Once upon a time, there lived a poor girl in a village. She lived with her parents and two sisters. One day, her father fell sick. He couldn't work on the farm. He asked the poor girl to pick some vegetables from the farm. The poor girl went to the farm. She saw an old man lying under a tree. He was sick and hungry. The old man asked her for food. The poor girl gave him some bread that she had brought. The old man ate hungrily. Before he left, he gave the poor girl two boxes. He reminded her not to open the second box until she reached her home.

The poor girl was so excited. She couldn't wait to see what was inside the boxes. When the old man left, she immediately opened the first box. She saw a pile of gold coins and jewellery.
